This month's Spotlight is The Library!
Find Your Joy at Hesperia Community Library During National Library Week April 19-25, 2026

What brings you joy? Whether it's cozying up with a new story, learning a new skill, gathering with community or something else, you can find your joy at the Hesperia Library.

National Library Week, April 19–25, 2026, is a time to celebrate the many ways libraries bring people together, spark imagination, and support lifelong learning. From books and digital resources to job assistance and creative programming, libraries are essential to thriving communities.

Celebration Days During National Library Week

Tuesday, April 21: National Library Workers Day, a day for library staff, users, administrators, and Friends groups to recognize the valuable contributions made by all library workers.

Wednesday, April 22: National Library Outreach Day (formerly National Bookmobile Day), a day to celebrate library outreach and the dedicated library professionals who are meeting their patrons where they are.
