LIBRARY NEWS

FALL 2026

Service Spotlight

Our library signed on to Dolly Parton's Imagination Library in July 2013 to give our children the best start in life. The program is inspired by Dolly Parton's own dad, who couldn't read or write.

While our hearts are incredibly sad, we're more inspired than ever to continue this important mission. Together, we are building a brighter future for our children.

Thank you for supporting our work and Dolly's legacy we have 82 local children that currently are getting books each month and 331 children that have graduated from the program. You may also donate to the library to support our efforts to make sure all children have books of their own to read.
